WELCOMING PT PRINT STUDIO

If you're looking to create truly inspiring contract interiors, PT Print Studio will help you fulfill the needs of your commercial project.

With over 30 years' experience in furnishing fabrics, Prestigious Textiles Ltd are proud to offer PT Print Studio as part of the new PT Contract range. As one of the industry leaders in print design, the PT Studio offers a unique printing solution to supplying inherently FR fabrics, suitable for any contract interior. With over 25,000 fabrics to choose from, we're giving customers the freedom to select any existing PT design and print it onto a desired base cloth.

Our in-house design team can translate the chosen design and print it using the latest in digital printing technology. The design can be resized or recoloured to suit and may have slight alterations to transpose onto a printed cloth.

WHAT WE OFFER

PT Print Studio is offering an innovative design service, making it possible to interpret our existing print designs, as well as our trend-led textured weaves, embroideries and jacquards into printed fabrics that meet the specific requirements of your contract project.

Our in-house team will translate your chosen design to make it suitable for printing on a quality from our range of inherently FR base cloths, including:

Panama
Raised Panama
Satin Quality
Bedding Quality
Dim Out
3 Pass Blackout
Upholstery (Healthcare)
Linen Look Polyester

Our selection of base cloths aim to cover all contract project needs; from inherently flame-retardant upholstery, curtains, blinds, bedding and accessories. The fabrics are ideal for all contract projects, especially those in executive, leisure and hospitality sectors, as well as nursing homes, supported living facilities and halls of residence, to name a few.

LET'S WORK TOGETHER

PT Print Studio works in consultation with its customers. Our experienced design team are on hand to provide guidance and advise on your design selection.

A minimum design conversion fee of £150 is applicable on all orders.
